

# 4 SlotIn PC gen2

For Barco EC-50

AV

## SlotIn PC gen2

- compatible with Barco EC-50
- Windows 10 OS
- Intel i7-8650U Processor
- 2x HDMI outputs

The EC-50 SlotIn PC gen2 is a SOLUTIONS4AV product that builds on the success of the first generation EC-50 SlotIn PC's, which were specially developed for the Barco EC-50 Event Controller. The gen2 hardware has been improved to match the increased performance demands of the latest Barco Event Toolset software. The EC-50 SlotIn PC gen2 now complies with the latest standards ensuring that use in the EC-50 Event Controller is fully guaranteed. Additionally the SlotIn PC gen2 has 2 HDMI outputs, Windows 10 and a more powerful processor than its predecessor.
